The Newsletter

Thought's from Pastor's Pen

Dear Deering Community Church, UCC and Friends,

Two months more bring us to the end of another year. Time is a strange creature stretching imagination and creating feelings of disorientation and confusion for me. All the

while I strive to embrace the preciousness of every moment and not let the fleeting nature of time and change disorient me too much.

The chilly frosted nights are here, a dusting of snow even passed over us. The forests, flowers, fields and gardens are just about asleep, the plethora of squirrels, who've survived the danger roads, seek the solace and comfort of their debris huts. We pull out our warm, winter clothing, fire up our furnaces, wood and pellet stoves. It is, for some, a time to simply flee this winter weather for the sun and warmth of the southerly climes.

Above all it is a time for slowing down the pace, drawing inward to our more contemplative nature. I hope we can do this together as we embark on the winter journey. May we seek living alternatives to what the world is presenting at the moment, a Way grounded in Christ-Love, practically, really, in a way that allows us to "kick at the darkness until it bleeds daylight." (Bruce Cockburn)

With Paul I commend that we "not be conformed to this world, but be transformed by the renewing of your minds, so that you may discern what is the will of God—what is good and acceptable and perfect...

Let love be genuine; hate what is evil, hold fast to what is good; love one another with mutual affection; outdo one another in showing honor. Do not lag in zeal, be ardent in spirit, serve the Lord. Rejoice in hope, be patient in suffering, persevere in prayer. Contribute to the needs of the saints; extend hospitality to strangers. Do not be overcome by evil, but overcome evil with good.

Peace, Rev. Bill Beardslee

Pastor Bill Beardslee

The All Church Feedback Sessions and Follow-up as well as the Healthy, Caring Communication Workshop with Nancy Brown were quite successful.

The Pastor Parish Relations Ministry commits itself to enhance healthy communication and relationships in our community life. They take initiative to offer educational opportunities and reflection to help us be intentional

about our life together. Both of these happenings have enlivened and educated our congregation. If you have not read the summary report or did not attend the after-church discussion please ask for a copy and/ or information. The info we've gathered will help us in our planning.

THE STEWARDSHIP CAMPAIGN IS IN FULL SWING

What Shall We Bring? is the theme of this year's campaign. It runs through November 11th Stewardship Sunday. We will continue to explore our theme and the many dimensions of Stewardship to broaden our awareness and levels of commitment to our church. Your Stewardship Team continues to provide a thoughtful,

intentional campaign that lifts up the joy and challenge of being Church. It stretches us to consider what we can give and bring to our life together.

NOVEMBER 11th, we ask you to bring your pledge card to worship with you. We will bring our pledges forward to the Altar during the service. **JOIN US FOR A MEAL FOLLOWING THE SERVICE** as we celebrate you and your giving to our Beloved Church.

This is the day of the poured-out spirit: Dreamers & Visionaries arise"

THE 217th ANNUAL MEETING OF THE NEW HAMPSHIRE CONFERENCE OF THE UNITED CHURCH OF CHRIST was an exciting gathering of our NH UCC Churches doing the

business ministry of the church, attend discussion groups, worship and connect with our sisters and brothers in Christ in the NHCUCC. Our new conference minister Rev. Gordon Rankin was only 10 days into his leadership as our Conference Minister. He is anxious to meet us, listen to us and form vision and commitment together. Please speak to Bryan Terry, Christine and Lee Marcroft or Bill Beardslee for more information about the meeting.

Reclaiming Jesus A Confession of Faith in a Time of Crisis

This is an explorative, after-church Bible Study/ Discussion group stretched over Advent and the winter months. It is an effort to reclaim the biblical story and narrative in a time when the Jesus we know has been used to justify regressive and dangerous theological and political stories. These are the stories that allow children and parents to be ripped apart from each other, stories that justify erasing the presence and memory of our LGBTQ sisters and brothers, stories that place profit over people, lies over truth, power over service and collaboration. These are the first four sessions during Advent.

December 2: Session One: Civil Discourse and Followers of Jesus

December 9: Session Two: Jesus is Lord: A Confession of Faith in a Time of Crisis

December 16: Session Three: Made in God's Image and Likeness

December 23: Session Four: We are One Body

A BLUE CHRISTMAS will be offered by Smith Church and Deering Community Church.

This service is particularly for those who may not experience the joy and cheer of the Advent-Christmas seasons that permeates the air. It is focused on loss and grieving as well as remembering our loved ones who have passed.

The service will be at Smith on December 18th at 7:00 pm.

THE CHRISTMAS EVE WILL BE A SERVICE OF LESSONS AND CAROLS at 6:00 pm, December 24th.

Join us for singing and celebrating.

As I write this article, I am mindful of the rewarding 2018 year coming to a close. Ministry Coordinators are busy working on their next year's budgets for our Treasurer and Financial Secretary to use as they work up the church's budget for 2019. Coordinators and congregants are also in the throes of identifying events and dates for next year which will be put into the calendar at the Annual Church Planning on October 27. This helps us space events that require concentrated efforts, such as the Chicken BBQ and the Annual Summer Faire. It is also an opportunity for each Ministry Area to be creative and come up with possible new activities or events!

The up-coming Annual Church Meeting in January, will be a time when we hear reports (they will actually be done a couple weeks before the meeting), vote on the budget, and elect officers. This will be a critical time when the congregation also gets to vote on the acceptance of the "New Structure" with the 5 Ministry Areas and respective Coordinators for 2 year commitments. Elected officials such as the Moderator, Vice Moderator, Clerk, Treasurer and Financial Secretary will also have two year terms. There are no other time commitments for Ministry Area team members. This structure relies on volunteers to help carry out the various Ministries and projects. Pending the acceptance of the "New Structure", there will be a committee to write up new and relevant Deering Community Church Articles and By-Laws.

Fluid communication is crucial to ensure visibility, transparency, functioning, and ultimate participation in and among our congregation, the Pastor, Administration and Ministries. But, good communication can be challenging! There's always room for improvement. It is up to each of us to take every opportunity available to find information that is important to us. We have numerous options with Social Media, Church Web Page (with calendar) and various printed materials. If you still have questions or would like further information on any aspect of the church's functioning and/or Ministries, please contact Bill, Diane in the office, me, or a Coordinator.

Enjoy the Advent Season and please remember those who may not feel as merry or blessed as you might be. Invite folks – or bring them – to one (or some) of the many events and programs at our church. We will be hosting an Open House, 5-7:30p on December 11, called "Business After Hours" (BAH) as part of our membership in the Greater Hillsborough Area Chamber of Commerce. It will be a wonderful chance to provide the history of our church, tours and share our Ministries and current connection to the community. Bill will again have a "Blue Christmas" Service, Advent Book Study, special Christmas Eve Service with "Lessons and Carols". Check the calendar! I pray that you connect and feel connected to each other in this church, as well as throughout the community. Let your Christ-love light shine!

Outreach Ministry: Food Pantry

Joyce Peace

We continue to collect alternating weekly donations of non-perishable food for the Food Pantries.

Hillsboro: There is need for small cans of meat for **November**, such as ham, tuna, chicken, fish etc., and products for **December**, such as laundry soap, shampoo, hand and bath soap etc., but each week you're welcome to bring whatever food or personal-care items you have. The Food Pantry is still in need of large brown paper bags. **Weare:** Donations of all types of food and personal care products are needed.

Cash donations are always welcome. Please make checks payable to Deering Community Church and note "Food Pantry" on the memo line. Periodically, accumulated cash donations are divided and half is sent to each of the above food pantries. Food Pantry donations are part of our outreach program to help others less fortunate. Please help if you can. **THANK YOU !**

WSLM

Mission: To engage in collaboration, communication, outreach and education through innovative tools and activities that support and nurture spiritual growth and a caring community. Co-Coordinator: Deanna Raenz and Bryan Terry . Music: Jane Waters

Hello all ye faithful from Worship and Spiritual Life Ministry (WSLM)!

It's the calm before the storm of our busy season as a church, but that doesn't mean the gears ever stop turning in this ministry of faith. Bryan and Deanna have been working on improving aspects of Worship in our church in many ways. Some small ones include monitoring and replacing supplies used during worship as well as including children in Worship by having them help with small things like ringing the bell. One of the bigger things they have been working on for Worship is through a change in timing of the Order of Worship. This will help preserve the reverence of the service and also allow for a more convenient time to do announcements. Aside from Worship itself, there are many aspects of WSLM that are being reviewed. Some of those areas are being redefined as we as a ministry think on what we are and how we can help with things like "Congregational Care" which includes new member nurture and visitations. WSLM continues to look for new ways to best serve the congregation and the community as a whole, and for those who want to help there are always our ministry sign-up sheets on the back table in Sherwood Hall. We're all looking forward to the joy of the holiday season, and as the Worship and Spiritual Life Ministry, we are all excited to make that time of reverence and love something special. Until next time, Members of WSLM (by Deanna Raenz)

WSLM: Musical Notes from Jane Waters

Our musical offerings by the choir this fall are off to a good start. On Friday of October 12th we had a Pot Luck--Hymn Sing, which has become a tradition with Smith Church. The support by many members of our own church family was most welcome as we greeted several people from the area. Special appreciation goes to Linda Bissonette for accompanying the hymns. Good food combined with enthusiastic hymn singing made this a most enjoyable evening.

Now our dedicated choir members are very busy preparing the musical drama 'LAZARUS' for the ecumenical service at our church on Sunday, November 18 at 3:00 PM. We will be joined by other churches: St. Mary's, Hillsboro United Methodist Church, Smith Church, and Washington Congregational Church to worship together. Music has been distributed to these parishes for their participation. Pastor Bill is narrator, Kathy Brennan and Brian Blanchard from the Methodist Church are the troubadours with our choir anchoring the plot. We are looking forward to increasing the number of singers with the other churches. As BREAD FOR THE WORLD EDUCATION FUND is the originator of the play, the offertory will be shared by them and our local food pantry. You won't want to miss this special performance!

Resource Ministry

Mission: This ministry shall have the care and custody of church property, and the legal and financial affairs of the church. Coordinator: Peter Cram, Financial Secretary Report: Pasca Ferwerda, Treasurer Report: Peter Cram, Facilities Management Report: Jean Lewis and administration.

There were no reports submitted from Resource Ministries at this time.

Coordinating Council

Mission: Council members represent the congregation as they carry out the functional and ministerial workings of the church through deliberative action, collaboration, leadership and the grace of the Holy Spirit to build a community of Christ.

Council Report by Chris Nase

The Council most recently met on October 9, 2018. We will meet again on November 13 and December 4 at 7 pm. Remember all are invited to attend Council meetings.

At our last meeting some highlights included the need for fresh vegetables next summer at the Food Pantry, the continued hard work on painting the exterior of the church, news that a draft of our Safe Church policy has been created, a creative Stewardship campaign beginning soon, news that we are up-to-date with our 2018 pledges and the approval of the Council mission statement.

Please ask any Council member (Bryan, Peter, Pasca, Jean, Jeanne, Joyce, Chris or Bill) for additional details and ask Chris if you would like the full Council minutes sent to you.

Christian Formation Ministry

Mission: Provide educational opportunities to build evolving, caring spiritual relationships between God, neighbors and self, based on biblical foundations and thought provoking activities. Coordinator: Christine Nase

Christian Formation Ministry

The primary focus of the Christian Formation Ministry has been providing weekly Children's Messages and Nursery care for our young children. Anyone may contact Chris Nase or Pastor Bill if they are interested in offering a simple message for the children during worship. We are also looking for additional people, two each week, to assist with Nursery care. A small table with toys and coloring materials was placed in the back of the sanctuary as an alternative area for the children.

An area of interest is learning more about the refugee and immigrant population in New Hampshire and how we might offer support. Chris Nase participated in the last day of the Walk for Solidarity on August 25, 2018. The walk began in Manchester earlier in the week and participants walked about 10 miles each day from Wednesday until Saturday, staying at churches along the way. The walk terminated at the Stratford County Department of Corrections in Dover, the site where immigrants arrested are detained in New Hampshire. We gathered on the lawn outside the prison to sing, pray and be moved by the testimony of people directly impacted by the recent changes in immigration laws. From the New Hampshire Indonesian community, who fled religious persecution and have led productive lives in our state for many years to laborers who have worked at the same business for several years only to now be arrested to the young brother and sister whose father was deported and who have lived with fear and sadness at the loss of his presence, we personally heard their stories and were moved by their strength.

The following month, Carol Hubert, Chris and Brian Nase attended a Welcome New Hampshire event, which featured immigrants from a variety of cultures, ages and circumstances all who presented their stories and experiences. The highlight of the evening was a class of middle school English Language Learners who shared stories, writings and poems in a non-native language with the audience. We were challenged to commit to action not just support after leaving this event. What will we do?

Women's Guild

Mission: The purpose of this organization shall be to enrich the spiritual life and friendship of women in our communities, to aid our church especially in benevolent work, and to cooperate with state and national societies in world friendship programs. We are an independent community based organization with its own identity, by-laws and financial independence which functions for itself as a collaborative partner with Deering Community Church in mutually beneficial ways.

September and October meetings with Guild members has in part been a deep reflection on the Summer Faire: what went well and how it could be improved. The need to have year around planning and a newly formed steering committee are steps toward that end. Input from our pastor and church moderator at a special meeting with the Guild was most helpful. Naming a co chair, one from the Guild, is in process.

Our annual outing included lunch at Hi Tide and a Shakespeare play on the campus of New England College. A budget and nominating committee has been formed and the resulting suggestions of these will be voted on at the Nov 7 meeting. A meeting with the fund manager re our investment has brought news of an excellent return and there will be an ensuing discussion about establishing a scholarship fund.

Attic Treasures thrift shop has been open each Saturday throughout the summer, thanks to our members and others who have kept this new venture alive and a vibrant presence in the community. Our hours are now open 9-1 pm on the last Sat of the month but look for more hours as the holidays approach.

As always, we welcome new members to meetings held on the first Wednesday of each month at 12 noon. Jeanne Bartlett , president

Pastor Parish Relations Ministry

Mission: PPRM covenants with the Deering Community Church to support and sustain connection and communication between the Pastor and the congregation through kind collaborative listening, education, and ongoing mutual evaluation for a healthy community. Coordinator, Peg Hauschildt Members: Pastor Bill Beardslee, Jeanne Bartlett, Pasca Ferwerder, Joyce Peace, Bryan Terry, Peg Hauschildt

The Pastor Parish Relations Ministry sponsored a workshop titled *Introduction to Caring Communication* presented by Nancy Brown, MSW on September 16, 2018. It was an excellent overview of communication skills with an emphasis on “careful, caring listening”.

Our Ministry has worked together through the summer and into the fall to gather valuable feedback about how our members and Pastor are experiencing the life and mission of our church. We have compiled the information obtained through Feedback Discussion Groups and an interview of Pastor Bill. A Summary Report was written and shared with the Congregation and Community subscribers through Constant Contact. Hard copies of the report were also available. On October 21, 2018 a meeting was held following our Sunday Service to present the findings of our report, reflect on some of the highlights and discuss opportunities for use of this information.

This process of evaluating our church has helped us complete the circle of communication. We have listened attentively, received high quality very positive feedback, and been able to establish a baseline of information. It is our assessment that Deering Community Church is strong, alive, and well!

Outreach Ministry

Mission: The Outreach ministry incorporates the work of social action and mission in local and global communities by proposing project, educating and enlisting support of our church membership. Coordinator: Jeanne Bartlett, ONA (Open and Affirming) and Ukama. Food Pantry coordinator Joyce Peace (see Pg. 5).

From Don Johnson: Our ministry would like to reestablish our long standing project of delivering welcome baskets to families who have recently moved to Deering. These baskets include a brief history of our church, brief history of Deering, maple syrup, handmade potholders, maps of hiking trails and other useful items.

We are eagerly awaiting the final adjustments at the new women's prison in Concord. Pastor Beth Richardson welcomes our visits and donations of sewing machines and fabrics as well as our annual project of creating Mother's Day and Christmas cards. We are ready to resume our visits once the new prison adjustments are completed.

We continue to welcome our Ukama visitors each year and provide housing for our friends in Rimbi. Over the years we have formed warm friendships with our visitors from Zimbabwe.

Lee and Christine Marcroft ably represent our Church at the New Hampshire PFLAG meetings each month as well as actively participating in many events to support Gay, Lesbian and Transgender youngsters, by marching in major parades and speaking at public events.

Our ministry continues work on projects to contribute to teens with food insecurity. For many years we have packed Teen Bags once a month after church. Peg Hauschildt oversees this valuable project.

Thanks to Genara Clay's leadership we have launched the first Little Free Pantry project. This small house has two sections one for those who want to contribute groceries and personal items and another section where volunteers can donate whatever they want. Our outreach ministry is also sponsoring a Warrant Article for the next town meeting which will request the town to allow the placement of additional little Free Pantries on town owned property.

Jeanne, our chair, recently met with Devin the program assistant for youth officer, Chelsea. Dinners four nights a week. The kids help with the preparation of meals and cleaning up. Some seventy-five youngsters are served weekly. Devon welcomes volunteers and donations of food for meals.

From Christine Marcroft:

The **ONA Mission** Group has been working on scheduling a gathering for April 6, 2019. It will be held at First Congregational Church UCC in Manchester, an excellent church for our event. There is plenty of space for breakout sessions and gender neutral bathrooms. The committee is working on a theme for the day and First Church is creating a flier to go out to the community to advertise the event. Breakfast and lunch will be served. After worship, music, and the Keynote speaker, Paula Ward, there will be workshops on transgender and their journey; a workshop on end of life issues for same gender couples; Poet James Crew will present a poem about coming out to his father; a workshop on ONA 101; and a possible webinar with Andy Lang, the Executive Director of the ONA Coalition. The committee is also planning on recognizing 25 year anniversaries for ONA churches. There has been discussion on displaying art work and presenting the Gay Men's Chorus! Everyone is excited about this Gathering event which should draw many attendees as it did in previous years. Please mark your calendars for April 6 at 8:15 am for registration and breakfast to begin the day! Parking is available!

The Annual Meeting was well attended! We welcomed our new Conference Minister Rev. Gordon Rankin and the Delegates from Zimbabwe: Rev. Menson Mpfu, Mrs Abigail Sithole, Mrs. Sitkengisiwe Tsododo and Mr. Danniford Masunungure. The Keynote speaker was The Rev. Dr. Stephen G. Ray, Jr. who set the tone for this wonderful day. The Deering church was represented by Rev. Bill Beardslee, Bryan Terry, and Christine and Lee Marcroft who all enjoyed the speakers, presentations and workshops and visited with friends. Rev. David Keller recorded a short video as we sent greetings to our partner church in Rimbi. This will be sent to Rimbi on a flash drive with the Delegates!

A new banner representing the partnership of South Newbury Church in NH and Iveme Church in Zimbabwe was displayed by Rev. David Keller, a member of their church, and Mrs. Tsododo and Rev. Mpfu.
